

Senior Media Operator

Salary:	Depending on experience
Hours:	Full Time (40 hours per week) on a shift pattern
Contract:	Permanent
Location:	Central London

Envy Post Production has an exciting opportunity for a Senior Media Operator specialising in Encoding, QC, and Duplication.

About the Role

Key Responsibilities will include:

- Creation of broadcast and archive master files – including DPP spec AS11s and IMF
- Data management and general housekeeping of archival systems
- Tape to tape transfers
- Interpretation and implementation of Broadcast /VOD technical specifications
- Training of junior-level staff members.

About You

Key Skills & Experience:

- The successful candidate will have solid MCR experience with a broad technical skill-set. This should include use of popular encoding software such as Vantage and Compressor.
- You should be completely comfortable using HD VTRs and have a good understanding of industry workflows and best practice.
- Knowledge of Avid, MAM systems, LTO, Alchemist XF, HDR and Dolby Vision would also be advantageous.
- Good organisational and communication skills are essential.

Please Note:

- This is a shift based role. The successful candidate will be expected to work some evening and weekend shifts.
- Salary will commensurate with experience and skill-set.

If you have the skills and experience we require then please apply by sending a cover letter and CV to human_resources@envypost.co.uk.
